Entrance fees,
Vehicle and driver around Broome area
Experienced Bird Guide
Bird List of Broome area

Sample Itinerary

Day 1 : Arrival day

Arrive in Broome and transfer to your hotel. Meet with guide over an evening meal for an introductory talk. Roebuck Bay is a shorebird roosting area of international importance and we will be expecting to see huge flocks of the migrants who spend their summer here

Day 2,3 &4 : Full day birding and photography Broome area.

While the focus of our tour will undoubtedly be the famous wader roosts of Roebuck Bay, the Broome area has other birds that are well worth looking at. Consequently we will also be visiting an inland lagoon, which can act as a magnet to birds from the surrounding dry country, and looking for the strikingly coloured Yellow Chat and very localised Dusky Gerygone.

Day 5: Departure.

After breakfast we will transfer to the airport for our onward flights.
