## Sample Itinerary

### Day 1 : Arrival.

Meet with guide and head out to Bruny Island. where all the Tasmanian endemics plus some good mammals can be found.

### Day 2 :Photography on Bruny.

There will be a lot of opportunity to photograph birds and animals over the course of the day Amongst other activities we will visit a penguin rookery and, weather permitting also take a short night drive looking for nocturnal animals and birds.

### Day 3: Travel to Mountain Valley.

After breakfast we will head back to the mainland and up through the center of Tasmania to Mountain Valley. Here the normally shy Spotted-tailed Quolls and the rare Tasmanian Devils come up onto the verandahs of the cabins at night to feed. Photographic opportunities abound.

### Day 4: Photography at Mountain Valley

There are a number of trails around the bird rich local area. The amazing Duck-billed Platypus are found in the creeks and there is an opportunity to visit a local glow-worm cave.

### Day 5: Return to Launceston

After breakfast we will return to Launceston and our onward flights.
